Community Garden's Elements Interview

Thank you for agreeing to participate in this research study about the elements and barriers of success in a community garden.

Your participation is completely voluntary and there are no direct benefits for your participation.

We appreciate your time and effort for this research study.

You will be asked to answer questions for an interview about your experience in the community garden.

This research should only take 30-45 minutes to complete. You can skip parts of the research you are not comfortable with and stop at any point. There are no foreseeable risks to your participation. To protect your confidentiality no names will be collected, and any possible identifiers will be removed from the data.

Identifiers might be removed from the identifiable private information and that, after such removal, the information could be used for future research studies or distributed to another investigator for future research studies without additional informed consent from the subject or the legally authorized representative

If you have any questions about this research, please contact Dr. Catherine Simpson (Catherine.simpson@ttu.edu).
