

CCGA 8TH ANNUAL VIRTUAL CONFERENCE
CONNECTIONS THROUGH GARDENING
PLANTS, PEOPLE & THE ENVIRONMENT
SATURDAY, MARCH 20, 2021

9:30AM – 4:00PM • \$25 ADULTS • \$15 STUDENTS

Join us for an exciting and informative virtual gathering of Chicago's amazing community gardeners! We've planned a day filled with live presentations, interactive breakout sessions, fun activities, wellness, special announcements, gardener-to-gardener networking, and a virtual exhibitor hall. There's something for both new and experienced gardeners!

Live Presentations

Mapping Soil Lead in Chicago, Potential Uptake by Vegetables

Andrew Margenot and George Watson, University of Illinois Crop Sciences

Production Planning for Community Garden Systems

Zach Grant, University of Illinois Extension

Selecting Fruit Tree Varieties for an Extended Harvest (Pick Three!)
