

# Legal Training for Illinois Small Farms

ADDRESSING LEGAL FARM RISKS CAN KEEP YOUR FARM IN BUSINESS

## THE SERIES

Legal risks can be fatal to a farm business. Understanding legal issues can dispel anxiety and help farmers realize their power to control their circumstances. University of Illinois Extension partners with Farm Commons for a 4-part series on legal issues for farms. Every farm or ranch no matter its size, location, or longevity is in a great position to build resilience.

## WORKSHOPS

Register for each individual session at links below

June 26 7 PM	<b>Exploring the H-2A Visa Program</b>		Explore the H-2A program and how it addresses farming operations' labor shortage issues. <a href="https://go.illinois.edu/ExploreH2A">Register at go.illinois.edu/ExploreH2A</a>
