

Legal Training for Illinois Small Farms

ADDRESSING LEGAL FARM RISKS CAN KEEP YOUR FARM IN BUSINESS

THE SERIES

Legal risks can be fatal to a farm business. Understanding legal issues can dispel anxiety and help farmers realize their power to control their circumstances.

University of Illinois Extension partners with Farm Commons for a four-part online series on legal issues for farms. Every farm or ranch, no matter its size, location, or longevity, is in a great position to build resilience.

WORKSHOPS Register for each individual session at links below

October 22
7 PM

Business Structure Basics

Learn how to apply straightforward decision-making factors to farm business situations.

[Register at go.illinois.edu/BusinessStructureBasics](https://go.illinois.edu/BusinessStructureBasics)
