ABOUT HASIK

BACKGROUND

Global Seed Savers is thrilled to host the Chicago Premiere of our recent graduate Fellows Mandy Qua and Marissa Mejia feature length documentary film *HASIK* ("To Sow").

The documentary film features five of our partner farmers who share their stories of fighting to preserve their heritage and culture through saving seeds!

We will be hosting screenings of the full film across the US in 2025, with the Chicago Premier on Friday, June 27th!

SPONSOR LEVELS

Sponsoring Global Seed Savers events like the premiere of *Hasik* ("To Sow") is a special way to support our partner farmers in the Philippines while connecting with our community. Your sponsorship will provide a unique opportunity to deepen your commitment to our work, build stronger community connections, and expand our organization. Events are only possible because of dedicated community partners that help make them successful.
