

Calling on the Chicago creative community to collaborate: Design the new CCGA logo!

Submission Deadline: February 16, 2015
Exhibition & Voting: March 5-10, 2015

Calling on local artists and designers to lend your skills to develop a stellar logo for the newest resource for Chicago's community gardeners: the CCGA! Submit your design to be displayed at the CCGA's 2015 Annual Conference. CCGA members will vote on the designs at the meeting and via social media. The design with the most votes on March 10 will become our new logo. The artist of the winning logo will be awarded with a **Lifetime CCGA Membership!**

We encourage you to join us in launching this exciting organization!

To be considered, the logo submission must follow these guidelines:

- Please include the acronym CCGA and the full name "Chicago Community Gardeners Association". These elements should work together and also function independently.
- The design should reflect the idea that CCGA members live and garden in all areas of the city. We celebrate the diversity of Chicago's gardening projects.
- Please provide an Artist's Statement
- Please review and sign a Copyright Agreement
- Please provide your design as vector artwork (.AI or .EPS format)
