

WE WARMLY INVITE YOU TO JOIN US IN OUR

# SUSTAINABLE SOLUTIONS WORKSHOP SHOWCASE

## FALL 2016

### WHAT:

Join Carlos Teixeira and his Sustainable Solutions Workshop students for an interactive showcase. Students have examined the complexities of contemporary local food systems, and proposed interventions from new business models to new services -- linking people with food knowledge, tools, and means of production. Ultimately, their ideas envision new ways to impact local lives and the wellbeing of communities through innovation in food.

### WHEN:

Wednesday, November 30, 2016  
9 AM - 11 AM CST

### WHERE:

Illinois Institute of Technology  
Downtown Campus  
565 W Adams St  
Institute of Design (7th floor)  
Chicago

Breakfast will be served.

WE LOOK FORWARD TO SEEING YOU THERE!
