

First May Distribution (there will be two) and Canna Sale

This Saturday, May 5, the **CCGA Resources Committee** will distribute kale, savoy and red cabbage, cauliflower, lettuce (several kinds), broccoli and leek starts, Yukon Gold and Red Norland seed potatoes, and baby delphiniums plants, all ready for planting in your community garden **NOW**. So let's get going! **HERE ARE THE DETAILS:**

Who All Chicago community gardeners

What Early season plant material

Where **New Horizons Community Garden**
401 South Central Park Avenue
(corner of Central Park Avenue and Van Buren)

When **Saturday, May 5, 2018**
9:00 a.m., until all plant material is gone

Registration Fee **\$5.00**

ALSO, we will be selling beautiful canna plants for \$3.00 each. What a bargain!

TO PRE-REGISTER: **Email** the name and address/location of your community garden to **mamie@uic.edu**.

Questions? Please email **mamie@uic.edu**.

P.S. Several lucky gardeners will also take home a nice used rake or shovel, or one of several huge second-year delphinium plants that we've received ...
