

## Report 11/28 Education Committee

### Summary of Education Committee since 11/12

1. Held planning sessions via email with Education Committee members Breanne Health, Val Kehoe, and myself. Ellen Newcomer remains available to confer with us, and Cordia Pugh has joined the committee. Angela O'Rourke is considering participation
2. Education Committee is seeking proposals for (6) workshops to be presented in two sessions with each presentation lasting one hour. six workshops will be in session one from 10 to 11 am. 6 workshops will be in session two from 11:15 to 12:15. Presentations must be rooted in current "best practices" for the field. Best practices is defined as a method or technique that has been generally accepted and reliably leads to a desired result, and has become a standard way of doing things.
3. I attended a workshop with Chicago Sustainability Leaders Network CSLN, and have been invited to attend their Sustainable Solutions Showcase, examining local food systems in Chicago to see if there is a context for a workshop at our conference.
4. I am meeting with Story Corps to discuss partnership of CCGA with them to interview and archive our garden stories.
