

RESOURCES COMMITTEE

NATIVE PERENNIAL and MISCELLANEOUS DISTRIBUTION

Thanks to the generosity of Matthew Frazel and Adam Peterson at the UIC Plant Research facility, Resources has lots of native milkweed, echinacea, etc., to distribute to community gardeners. **Details below:**

WHO

All Chicago Community gardeners

WHERE

New Horizons Community Garden
401 South Central Park
(southeast corner of Central Park and Van Buren)

WHAT

asclepias tuberosa, verticillata, and incarnata (milkweed), northern sea oats, echinacea pallida AND magnificent dahlia plants, herbs, and lot of miscellaneous plant material that we emptied out of the greenhouse.

WHEN

Thursday, May 21
10:00 AM

WHY

plant natives to support the pollinators!

REGISTRATION and FEE

\$5.00 Registration

To **Pre-Registration**, email the **name** and **address** of your community garden to mamiegray2012@gmail.com
